8 Efforts made by the Osaka Tsurumi Flower Center Co., Ltd. as the founder of the market

Our market has been playing an important role in supporting the flower industry in Japan as the nation's leading market. It's been 22 years since the market opened, and therefore we are working together with those concerned with the market on projects to revitalize the market by establishing the mid-term management plan that stipulates the efforts to be made for expanding the market functions, which can make the market attractive and adaptive to changes in the environment surrounding the flower industry, in addition to the measures against the aging facilities.
